Mr. P. Wharton Farms Limited have suggested that they pay half of the costs involved and have asked the Church Council and the Parish Council share the remaining £800 between them. A long discussion took place to agree to this suggestion and following a vote with two in favour and two against the suggestion that the Parish Council pay their share, the Chairman of the Council, Mr. A. Thompson made the deciding vote in favour of the Parish Council paying their share of the costs involved.

The Chairman closed the meeting at 6.13 pm.
